Refer following page

 Line of sight required by Officials for finish line

 Do not paddle boats here as it obstructs the Finish Line “line of sight”. Paddlers should attempt to cross this area when no finish is occurring. This area goes all the way from the tent to the far bank.

 Keep away from the course edge as you may distract paddlers.

 Red Zone –No sitting in the Red Zone. Paddlers need to exit as soon as race is over to free up finish line. Boats also prohibited from entering and exiting water in red zone.
